DELIVERY

£9.50 First Class signed for with Royal Mail.

Alternatively, collection is free from my studio in Burntwood, Staffordshire.

All of my group/family drawings are drawn in my classic 'Walkies' style as shown below. If you would prefer a different composition please just specify in your email of what you have in mind.

HOW TO GET STARTED...

- To complete your artwork please email high resolution photographs with a brief description of any details you would like including to mollydoodledandy@hotmail.co.uk.
- My drawings are very detailed and if the material I receive from you is not suitable to work from then unfortunately I will not be able to go ahead with your commission.
- I require a clear photo of every person/animal/detail that is to be included. If people could ideally be wearing in the photos the clothes you would like them to be drawn in that would be brilliant. However, I can also work from photos of the individual clothing items – it does not need to be fancy, just laid out on the floor, bed or hanging up against the wardrobe will do!
- Once I have approved the images, I will contact you and require a **£90.00** deposit to secure your booking. The remainder of the payment is required upon completion of the drawing when you are entirely happy.
- I am unable to offer refunds on bespoke artworks. You are commissioning a bespoke artwork in my distinctive Molly Doodle Dandy style - please make sure you are happy with my style before placing your order.
- I retain the right to share your illustration on social media and in my portfolio, if however you wish for this not to happen then please specify in your email.
