HOW TO GET THINGS STARTED...

If you plan for this to be gifted on their wedding day then I require high quality images at least 4 weeks prior to your deadline of the bride and groom's outfits, the brides wedding hair, veil, bouquet, wedding venue (this is so I can create an archway which reflects the style of the venue) and any images of pets if there are any to be included. I also need a few full-length photos of the couple for height comparison. If the artwork is being commissioned following their wedding then a photo from the special day is perfect! Just send a variety of images from the day so

I have plenty of options to work from. Lastly, I need to know the wedding date and marital name. Email all images and details to mollydoodledandy@hotmail.co.uk

Once I have approved the details and images, I require a non-refundable £80.00 deposit to secure your booking. The remainder of the payment is requested upon completion of the artwork when you are entirely happy.

Please see the following pages for more wedding portrait examples...

Please note: A full scale detailed backdrop as such as this one runs at an additional cost. Price confirmed upon enquiry.
